Partnerships & Resource Mobilization Professional

Nairobi, Kenya | +254 112 918 557 | jonathanjnr096@gmail.com | linkedin.com/in/jonathan-okech5432941b5

---

## PROFESSIONAL SUMMARY

Partnership and resource mobilization professional with 3+ years' experience developing external partnerships, authoring grant applications, and managing structured engagement pipelines from initial outreach through to signed agreement. Track record includes 9 signed partnerships, 1 confirmed grant award, and 10 independently authored grant applications submitted to international donors. Experience spans embassy and foreign-government stakeholder engagement, concept note and proposal drafting, cross-functional coordination with finance and programs teams, and KPI reporting to leadership. Bachelor of Economics, University of Nairobi. Seeking to bring this partnership and resource mobilization discipline into the humanitarian and development sector.

---

## CORE COMPETENCIES

- Partnership development and grant application writing
- Proposal and concept note drafting (10 self-authored applications submitted to international donors)

## PROFESSIONAL EXPERIENCE

### Resource Mobilization Officer – Strategy & Partnerships

Jun 2023 – Present

Africa Asia Middle East Chamber of Commerce (AAMECC), Nairobi, Kenya

- Acted as focal point for new partnership enquiries, building 9 signed partnerships/MoUs across private sector, NGOs, and academia — including PUEA, Women in Business, Bold Girl Unite, AITP, and international partners in South Africa, Malaysia, and the Netherlands — and served as relationship manager for named accounts including Lofty Corban Investments and Ronalds LLP.
- Independently authored and submitted 10 full grant applications and concept notes to international donors — including CISCO, ILO (FutureWORKS), USAID (Annual Program Statements), the Canada Fund for Local Initiatives, and AfCFTA's Digital Innovation Challenge — currently awaiting decision; secured a confirmed award from the ESSA Early Childhood Development fund and advanced a multi-partner consortium bid (TMA) past first-round screening.
- Engaged 8+ foreign embassies and government agencies — including the Dutch, German, Canadian, UAE, Saudi, Angolan, Namibian, and DRC embassies — plus the Netherlands Business Hub Kenya and other chamber-of-commerce networks, as part of institutional stakeholder outreach and donor landscape mapping.
- Built and managed a structured partnership pipeline valued at KSh 45M, using a CRM/tracker system and 80+ structured follow-ups to maintain engagement discipline from first contact to close; led an 18-entity outreach campaign to expand the organization's partner base.
- Coordinated with finance and programs teams to align proposal terms, pricing, and budgets ahead of partner negotiations, supporting agreement development end-to-end.
- Produced KPI dashboards and pipeline-performance reports for leadership using Excel and PowerPoint, forecasting engagement health and informing target-setting.

### Resource Mobilization Intern – Projects & Analytics

Sep 2021 – Jun 2022

Africa Asia Middle East Chamber of Commerce (AAMECC), Nairobi, Kenya

- Conducted market scans and performance analysis to inform sector and geographic prioritization for a multi-country resource mobilization strategy.
- Drafted concept notes, proposals, and internal strategy documents, aligning objectives, interventions, budgets, and M&E expectations.
- Maintained trackers and consolidated partner reports, distilling lessons learned to strengthen pipeline quality and delivery discipline.

### Customer Service Representative – Operations & Client Support

Jun 2018 – Jan 2021

*Airtel Kenya Ltd, Nairobi, Kenya*

- Resolved high-volume customer issues and identified recurring patterns in feedback to improve operational service quality and escalation accuracy.
- Maintained accurate digital case records, supporting data quality for analytics and reporting.
